PROFESSIONAL TRAINING CENTRE

We offer tailored training courses, to meet our clients' particular requirements and specifications.

Our bespoke approach enables us to respond precisely to the needs of each organisation, thus ensuring an optimal and relevant learning experience:

- Tailored to the needs of businesses
- Accompanied by personalised follow-up
- Crafted to meet individual needs – flexible duration
- Scheduled as required
- With or without a work placement
- At a training centre or within your company

89,6%

pass rate for the CQPM
(all CQPM examinations combined)

83%

of our CQPM students find
a job within six months
after training

99,5%

trainee
satisfaction rate

** The UIMM has replaced the CQPM qualification for "Mechanical Systems Assembler and Fitter" with the TPFP qualification for "Mechanical Systems Assembler and Fitter". This change is intended to make the qualification available to apprentices as well, which was not possible under the CQPM.*
